Ride Information:

Day 1 is approximately 150 miles. There will be an optional extended route that riders can take to the Salton Sea. Riders should have desert riding experience. Expert Skill Level is recommended for riders on large Adventure Bikes as there are some rocky and sandy sections on this ride. There are many pavement bailout options along the route. MAXIMUM MILEAGE between gas stops is 95 miles, with optional emergency gas on route. Day 2 is an optional, free ride day with 80-150 mile, self-guided GPS tracks to ride and/or explore mud caves.

Ride is limited to 125 riders, so please register early to guarantee your chance to ride this event. Entry includes maps, GPS tracks, a well planned route, event T-Shirt, Saturday night BBQ and Raffle giveaways at the Clubhouse. Bring gas to fill up your bikes Sunday morning.

Please enclose this form along with check or money order and mail / pay to:

SAN DIEGO ADVENTURE RIDERS
725 Clark Ave. Encinitas, CA 92024
